

## The Guardian Flame Soul Sign

### Soul Message

Not all flames burn loud. Some protect through presence.

This flame is a guardian — not by destruction, but by illumination.

It holds a field of truth around the soul, warding off intrusion without force.

### Meaning

- Shields the soul from energetic manipulation
- Stabilizes the aura under stress or spiritual pressure
- Activates inner light as natural protection

### Activation

Print or draw the symbol and place it before you.
